QUALIFICATION DETAILS

The purpose of the Functional Skills Mathematics Level 1 qualification is to demonstrate both mathematical skills at the appropriate level and the ability to apply mathematical thinking effectively to solve problems successfully in the workplace and in other real life situations.

Suitable for :

- Apprenticeships
- Traineeships
- Alternative to GCSE
- T-Levels
- As a standalone qualification

Entry requirements:

There are no pre-entry requirements for this qualification and no minimum age requirement has been set for registration.

Online assessment:

Online assessment is available for this qualification, and live online assessments are now bookable. Please visit our [Online Assessment page](#) for further information.

Remote invigilation:

Also referred to as remote proctoring, remote invigilation allows a learner to be observed via audio and visual links when completing their online/onscreen external assessment at home.
