QUALIFICATION DETAILS

The purpose of the Functional Skills Mathematics Level 2 qualification is to demonstrate both mathematical skills at the appropriate level and the ability to apply mathematical thinking effectively to solve problems successfully in the workplace and in other real life situations.

WHO IS IT SUITABLE FOR ?

This qualification is suitable for learners studying the following:

- Apprenticeships
- Traineeships
- Study Programme
- Alternative to GCSE
- T-Levels
- As a standalone qualification

Entry requirements:

There are no pre-entry requirements for this qualification and no minimum age requirement has been set for registration.

Qualification structure:

This qualification has one external assessment divided into 2 sections.

- Section A: The non-calculator section
- Section B: The calculator section

Online assessment:

Online assessment is available for this qualification, and live online assessments are now bookable. Please visit our [Online Assessment page](#) for further information.

Remote invigilation:

Learners are now able to complete online/onscreen external assessments at home using our remote invigilation solution. Also referred to as remote proctoring, remote invigilation allows a learner to be observed via audio and visual links when completing their online/onscreen external assessment at home.
