Regulatory Alignment with Office for Students (OfS) Conditions

The Student Code of Conduct Policy forms part of the London Academy for Applied Technology's (LAAT) student governance, safeguarding, and institutional conduct framework. It establishes clear behavioural expectations for students to ensure that all members of the LAAT community can study, work, and interact in a safe, respectful, and inclusive environment.

The policy aligns with **OfS Condition C1 (Consumer Protection)** by ensuring that students are provided with clear information about acceptable behaviour, institutional expectations, and disciplinary consequences where these standards are breached. This transparency supports fairness and accountability in the management of student behaviour and complaints.

The policy also supports **OfS Condition E1 (Public Interest Governance)** and **E2 (Management and Governance)** by establishing defined procedures for addressing misconduct, ensuring consistent application of disciplinary regulations, and maintaining institutional oversight of student behaviour and welfare.

In addition, the policy contributes to LAAT's safeguarding responsibilities and supports compliance with **OfS Condition E6 (Harassment and Sexual Misconduct)** by explicitly prohibiting violence, abuse, harassment, and discrimination within the institutional community. Through this policy, LAAT demonstrates its commitment to maintaining a safe, respectful, and inclusive learning environment for all students and staff.
